TITLE: CODE PINK: SUSPECTED INFANT/CHILD ABDUCTION PROCEDURE

PURPOSE: To provide guidelines for action and notification in the event of a suspected infant/child abduction.

SCOPE: All Hospital Staff, Medical Staff, and Volunteer Staff

POLICY:

Any staff member who finds an infant or child missing will take action as described in the procedure below.

RELEVANT FACTORS:

DEFINITIONS: N/A

PROCEDURE:

I. MITIGATION

A. PATIENTS AT RISK OF BEING ABDUCTED WILL BE PLACED CLOSE TO THE NURSES STATION:
   - Pending patient placement in DCS custody
   - Custody is being disputed
   - Infants left alone in room for extended periods of time
   - Domestic disputes/abuse
   - Threats to leave AMA by non-custodial parent

B. STAFF MUST ALWAYS BE AWARE OF AND NOTIFY SECURITY OF ANY UNIDENTIFIED / UNKNOWN PERSONS:
   - Following staff into a secured area
   - “Casing” in any area
   - Asking detailed questions about the layout
   - Impersonating a nurse or other allied health professional

C. PARENTS SHOULD BE ADVISED TO NOT ALLOW THEIR CHILD TO BE TAKEN FROM THE ROOM BY A WORKER WHO DOES NOT HAVE AN ETCH IDENTIFICATION BADGE.
II. RESPONSE

A. MISSING CHILD

If a patient is missing and abduction is not suspected, check desk to see if patient has been checked out. If not checked out, notify Security to assist with locating the child.

B. SUSPECTED ABDUCTION / COMMUNICATION

Check desk to see if patient has been checked out, if not, call code. Call "333" and ask PBX Operator to page:

"Code Pink - 0" – Location "Code Pink - 0" - Infant < 1 year
"Code Pink - 1" – Location "Code Pink - 1" - Child 1-5 years
"Code Pink - 5" – Location "Code Pink - 5" - Child > 5 years

NOTE: Contact Security via radio. Give location / floor (i.e., NICU, 2nd Floor, etc.)

C. DEPARTMENTAL RESPONSIBILITIES / STAFF ROLES

All departments to turn on hand held radios (if applicable) when code is called.

1. Nursing Unit

   a. Recheck all rooms/unit.
   b. Secure the area where the abduction occurred.
      To preserve any forensic evidence.
   c. Notify NM or NC.
   d. Move parents, if present, to a private room. Ask them to remain there for questioning by the police.
      • Leave belongings in room
      • Protect parent(s) from stressful contact with the media or other interference
   f. Refer all media inquiries to Community Relations.

2. Nursing Administration (Nurse Manager or Coordinator)

   a. Ask Operator to contact:
      1) Nursing Director
      2) Hospital President or VP on call
      3) Hospital Security Director
      4) Community Relations
   b. Set up a control center on the unit.
   c. Hold all hospital personnel.
      All employees should remain in department or report back to department until cleared to go home.

3. All Staff

   Secure nearest hospital exits until relieved by designated staff below.
   Staff assigned will respond to the following stations:
TITLE: CODE PINK: SUSPECTED INFANT/CHILD ABDUCTION PROCEDURE

a. Staff securing exits will ask anyone exiting or entering to please exit or enter through the Emergency Dept because of a hospital code. If person refuses to exit ER, notify Security STAT. DO NOT attempt to physically stop an individual.
